Trash Bags Going Fast

It took only three days for City workers to hand out more than 1.5 million free plastic trash bags as distribution to utility customers began on Monday.

City utility customers received postcards in the mail in early April which can be exchanged for four rolls of 50 bags each.

Distribution continues next week (April 23rd-28th), from 8 a.m. to 6 p.m. at the City's Maintenance Center, 1700 W. Detroit. Customers can follow the signs without ever leaving vehicles as employees will be present to guide them through the Center.

Last year the City gave out 3,939,400 bags during the 12 days.
